Get started right away, just hand over the responsibility to us and we'll make sure your work is completed on time and to an exceptionally high standard.

"You are miracle workers! It's simply brilliant that you've managed to get us seaworthy and I have to say I'm impressed. It is not lost on us how difficult it is to get things done in Grenada when everyone wants to go sailing at the same time. It is also not lost on us how important your hard work is to us having a successful Christmas break. So very heartfelt thanks are in order". Adam Elgar – Gallivanter of Lymington

GUARDIANAGE

Weekly in water or out of water checks customised to your specific needs, example reports of which are included in this package. These reports are sent out immediately after each check and include pictures and action recommendations should any problems exist. Our in house and fully qualified engineer is at hand to instantly attend to any problems that may eventuate.

PROJECT MANAGEMENT & MAINTENANCE SERVICES

To cover your every need we have in house engineering services and outsource other specialised work to some of the best of breed organisations in Grenada. Our excellent report with these organisations assures timely and quality work at very reasonable rates. What ever your needs are, we have them covered.

LOCATIONS

Our services can be provided at the following locations: Port Louis Marina, True Blue Marina, Secret Harbour Marina, Clarkes Court Bay Marina & Boat Yard and Spice Island Boat Yard.

We have offices in: Port Louis Marina, Clarkes Court Boat Yard and True Blue Marina.
