WHAT WE OFFER

Horizon Yachts Grenada has been a well-known leader in yacht project management and practice, bringing its clients the expertise and quality of work needed to help create and sustain high levels of customer satisfaction. If you are looking for honest communication, professionalism and perfection.....then leave the rest to us. Get started right away and we'll make sure your work is completed on time and to an exceptionally high standard.

GUARDIANAGE

Our Guardianage Supervisor will discuss with you your requirements in detail and provide your choice of weekly, bi-weekly or monthly checks. Our detailed reports are sent out immediately after each check and include pictures and action recommendations should any problems exist. Our in-house and fully qualified engineer is at hand to instantly attend to any problems that may eventuate. Available at most locations in Grenada, in and out of the water.

PROJECT MANAGEMENT

To cover your every need we have in house engineering services and outsource other specialised work to some of the best service providers in Grenada. Our excellent rapport with them assures timely and quality work at very reasonable rates. Whatever your needs are, we have them covered.

"James and the gang have my vote. You don't need to worry if James is coordinating your work. You can sleep well and not have to worry about your boat." Gregory
